To All Presidents

Dear Fellow Kiwanians,

As District Chairperson for the "books"... committee, I am very excited about our District Project to put quality books in the hands of young children, especially those who might be in families who can't afford to make it happen.

Our first opportunity to accomplish this service is at the Fall Training Session in Milledgeville. I have contacted the Head Start Program Director in Baldwin County. She, along with some children and parents, will meet with us on 26 Oct 02 to receive two books per child in their Head Start programs.

Of course, this can only occur with the help of each club in the district. If any clubs choose not to participate, we may fall short of having enough books to go around. So here are your choices:

1. Club's representatives should bring at least 3 books per club to the Fall Training.
2. The club can choose to send at least, 3 books, no later than 24 Oct, by mail to:

Pres. Outley Faulk
P.O. Box 67
Milledgeville, Ga. 31059

3. Clubs may send a check to the District Office and identify that it's for the book project in the memo section. Please contribute at least \$24. per club. (MORE IS ALWAYS BETTER)

SUGGESTED BOOKS ARE AS FOLLOWS FOR 3-4 YEAR OLD CHILDREN:

Additionally, there will be an opportunity to read to the children who come for the public relations sessions. All volunteers to read or help with the intake of the books will be appreciated. If your Book Chairperson will be in attendance, please identify yourself to me so that I can learn more about what each club is doing and help spread the word.

In the future, the plan is to repeat this activity in Macon. The number of books required has not been determined. Also, during the "READ AROUND THE WORLD" Campaign, Feb 1-Mar 3, my hope is to have each Kiwanian throughout Georgia, wear a ribbon indicating they have taken the time to read to a child.

I really believe these goals are obtainable with your commitment to serve children around the world. Thank you for all you do to make a difference.
