Dear Mr. Balthazar:

We are pleased to acknowledge receipt of the \$2000 gift to the Campaign for Hillside from the Peachtree Atlanta Kiwanis Club. This fulfills the pledge the club made in February 2004. Please extend our thanks to your members for such generous support. This gift will be designated for the Kiwanis cottage. Your donation also helped Hillside meet both the Kresge and the anonymous foundation challenge grants!

Since their beginning in 1918, Georgia Kiwanians have been deeply involved at Hillside. They played a key role in the acquisition of our present campus, and conducted a log rolling to clear the way for construction. The Kiwanis cottage was the first residential unit built. Kiwanis has continued to support its maintenance and has participated in a variety of other improvements at Hillside.

Your generous contribution will be applied to renovation of the Kiwanis cottage, adding single bedrooms and a meeting room for therapy sessions and family visits. Please accept our deepest thanks and gratitude for your commitment to Hillside's young people and their families. We are delighted to count you among those helping to write the next chapter of the Kiwanis history at Hillside.

Sincerely,
