

KIWANIS CLUB OF PEACHTREE ATLANTA
JUNE 13, 2006 PROGRAM

Our speaker today was Mr. Phillip Causey, Director of Community Outreach for the Intervention Group. In sharing with us about The Intervention Group, Mr. Causey shared many points which included the following:

1. Intervention is a process of interrupting the dysfunctional behavior pattern and offering the person a pathway to real help and recovery.
2. The Intervention Group was formed in 2004 by Dr. Brian Moore, a licensed psychologist, and Mr. Brad Baker, an investigator who received special training during his fourteen years in the US Army working with Special Task Forces in the war on drugs.
3. The Intervention Group works with families and businesses with persons afflicted with problems such as alcohol, drugs, gambling, depression, etc.
4. Help from The Intervention Group include providing assistance in defining the problem, identification and placement in treatment centers, and locating of support groups.
5. Our speaker gave a personal testimony that reflected the credibility and effectiveness of The Intervention Group.
6. More information may be secured about The Intervention Group by checking its Web site: www.interventiongroupinc.com or calling 770-590-4441.
