Our speaker today was Ms. Myke Harris-Long, Field Director for Youth For Understanding (YFU). Ms. Harris-Long was accompanied by Ms. Molly Reed and her son Max who had been an exchange student in Denmark as well as a keeper of a German exchange student. In sharing with us about the Youth For Understanding (YFU), her remarks included the following points:

1. YFU USA is a private, non-profit, educational organization, founded in 1952, and dedicated to preparing young people for their responsibilities and opportunities in a changing, interdependent world.
2. YFU USA host families provide room, board, guidance, and the experience of what everyday life is like in America for exchange students during an academic semester or year.
3. All kinds of families host YFU students such as married couples with or without children, single parents, and families with teenagers.
4. YFU USA conducts exchanges with more than fifty countries around the world and has nearly 2500 volunteers in communities across America.
5. More information about YFU may be secured from Web site www.yfu-usa.org or call 817-444-7382.
